### Questions

**Who do I contact about Shahzada?** For pre ride nomination, camping and general enquires and notification of withdrawals, please contact Sue Todd, (02) 6379 7218 or email [suetodd@activ8.net.au](mailto:suetodd@activ8.net.au).

**What if Things Change?** Pre-nominated entries for rider & horse can be changed up to pre ride vetting without incurring additional fees.

**What if I can't get to Shahzada after I pay my prenomination?** If you need to withdraw your entry before Shahzada starts, you must advise Sue on **02 6379 7218** or by email to [suetodd@activ8.net.au](mailto:suetodd@activ8.net.au). Alternatively, you can advise the ride office at Shahzada. Providing you advise us of your withdrawal before pre ride vetting, refunds will be made less the non-refundable deposit of \$50. Please note an additional \$50 will be deducted from withdrawal refunds if the horse has arrived, is withdrawn and stays in the St Albans village, since the horse will be classified as an "extra" horse." **Please note there are no refunds for withdrawal after vetting.**

Refunds will be made through the on line booking system or by cheque after Shahzada is completed. Refund cheques must be banked within 2 months of the cheque date, cheques which are unbanked after 2 months will be cancelled.

**What about independent campers?** - Campers who are not a Shahzada volunteer worker, or part of an entrant's support party must pay a \$40 camping fee, in addition to the \$50 power charge if power is required.

**Is power available?** There is very little power available for campers and then only for low power loads such as lights, battery chargers and electric blankets. Power is **not available for hair dryers, space heating, boiling water, cooking, pumps etc.** LPG should be used for these functions. Pumps should be 12v battery powered due to starting currents on 240 volt pumps. Power cost is \$50 per camp site. Campers wanting power **must** provide their own **safety switch** and power cables. Campers with generators will be required to locate in special areas, all generators must be very quiet and there will be a curfew on generator operation.

**Sick horses and people?** Horse health declarations are required for all horses at Shahzada. Please ensure your rider, crew and horse are all fit and well before attempting the Shahzada. If you, your crew or your horse are unwell you will be asked to exit the ride base.
